

# SYM HD200

Designed along the core guidelines of what a scooter should be: Light weight, agile on tight streets, light weight, easy to maintain with good power to carry two and an outstanding gasoline mileage. It is this recipe, that makes the HD200 the modern motor scooter that stays most true to the original idea of what a motor scooter should be.

**MSRP: \$3399.00**

## Accessories

HD featuring 36l top case

HD featuring 26" windshield with hand protection

A large variety of top cases & windshields are available for the HD series. Top case sizes vary from 25l to 50l. High quality windshields with hand protection vary in sizes from 26" tall to 29" tall. Ask your dealer for details.

## Features

Although the HD is a fine work of design, the features which make this scooter superior are invisible: 4-valve technology, water cooling, Overhead cams, a 60W halogen headlight and an electrical charging system that made the old kick start entirely obsolete. Those are the unrivaled core technologies of the SYM HD200
